THE HISTORY OF THE VÁRKERT BAZÁR

The Várkert Bazár is one of the most unique jewels of the capital, where art and nature meet in perfect harmony, creating an unparalleled atmosphere. Thanks to the architectural genius of Miklós Ybl, this one-of-a-kind creation evokes the richness of history, offers cultural experiences, and provides a nature-inspired setting. With its versatility, the Várkert Bazár is not only a venue for culture, but also an elegant stage for relaxation, social life, and entertainment, leaving every visitor with lasting impressions.

Ida Bistro has found its worthy place on the promenade of the Várkert Bazár, where the spacious, impressive interiors preserve the spirit of the historical surroundings while refreshed with contemporary details. Designed by András Hitka, the restaurant opened after a long and meticulous renovation, welcoming guests with its elegant atmosphere.
